COMPANY PROFILE

OVERVIEW

Company Profile

1. Company Name

Full Name: Hoang Kim TP Joint Stock Company
International Trading Name: HOANG KIM TP JSC
Abbreviation: Hoang Kim JSC

2. Business Address

Head Office: 391 Truong Dinh Building, Hoang Mai District, Hanoi, Vietnam

Factories:

Quat Dong Industrial Park, Thuong Tin District, Hanoi, Vietnam (4)

An Phu Dong, District 12, Ho Chi Minh, VietNam (1)

3. Core Business Activities

-Hoang Kim JSC is a leading manufacturer and supplier specializing in aluminum and metal construction products. Our key activities include:

-Extrusion of high-quality aluminum profiles for industrial and architectural applications.

-Electrostatic powder coating on various metal surfaces.

-Manufacturing and installation of aluminum roller shutters and slat roller doors.

-Production and supply of auxiliary components for the roller door and aluminum door industry.

-Design, fabrication, and installation of aluminum doors, glass doors, and glass curtain wall systems.

-Production of aluminum-based machinery components and equipment, such as heat sinks and housings for industrial machines, electronic devices, and automotive applications.

With modern production facilities and a commitment to quality, Hoang Kim JSC aims to deliver durable, aesthetic, and innovative solutions to meet the growing demands of both domestic and international markets.

 MACHINERY & EQUIPMENT**Technical Capabilities and Equipment Overview****1. Aluminum Extrusion Systems**

Hoang Kim JSC operates a complete range of extrusion machinery and equipment, enabling the production of high-quality aluminum profiles for diverse applications.

- 02 extrusion presses (690 tons)
- 01 extrusion press (1,100 tons)
- 01 extrusion press (1,460 tons)
- 01 extrusion press (2,500 tons)

2. Mold and Casting Systems

- Mold production systems for aluminum profile extrusion.
- Aluminum alloy casting systems to produce high-grade billet materials.

3. Mechanical Processing Systems

Hoang Kim JSC operates advanced machining systems for precision aluminum and metal components:

- 05 high-performance processing machines imported from Japan.
- CNC cutting and machining lines.
- Aluminum welding systems.
- Mechanical processing and fabrication lines for metal and aluminum products.
- 02 precision corner-stamping machines for aluminum frame assembly.

4. Heat Treatment and Surface Pre-Treatment Systems

- Heat treatment (hardening) systems.
- 15 surface treatment tanks for degreasing and chemical cleaning.
- 02 drying ovens operating at 70°C–120°C.

5. Electrostatic Powder Coating Systems

(Imported from Germany and Switzerland)

Hoang Kim JSC utilizes both vertical and horizontal automatic powder coating lines to achieve superior surface finishing and long-term durability.

- 02 fully automated coating lines from the USA.
- 60 automatic spray guns and 02 manual spray guns.
- 04 automated coating robots.
- 04 furnaces with gas burners.
- 04 automatic powder recovery silos.
- 03 automatic painting booths.
- 02 post-coating drying ovens (temperature range: 200°C – 250°C).

6. Aluminum Anodizing Systems

- 02 aluminum anodizing lines that enhance corrosion resistance, hardness, and surface durability.

7. Aluminum Surface Finishing Systems

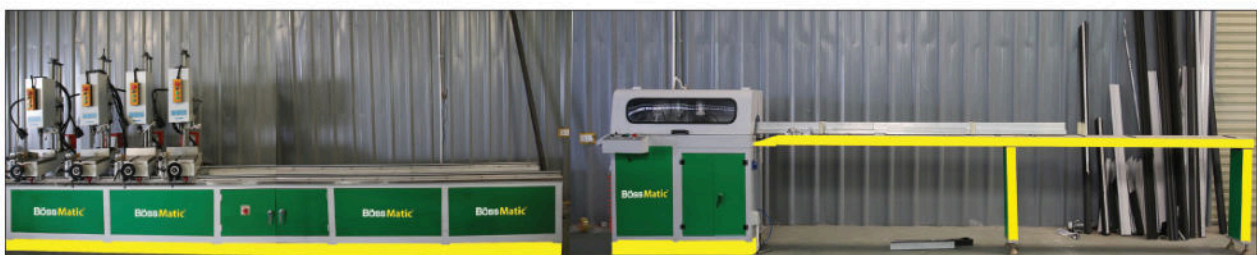

- 02 polishing machines for aluminum surface cleaning and finishing, providing smooth and glossy appearances.
- Surface flattening and cleaning lines to ensure high-quality finishing before coating.

8. CNC Laser Cutting and Welding Systems

- 01 imported CNC laser cutting machine for precision processing of aluminum and metal components.
- 01 imported aluminum laser welding line for high-strength, seamless structural joints.

POWDER COATING CERTIFICATES

Certificate of Approval

HOANG KIM TP JOINT STOCK COMPANY
No 391, Truong Dinh Street, Tan Mai Ward, Hoang Mai District, Ha Noi, Viet Nam

is certified as an Approved Applicator to coat
Jotun Facade
a product from Jotun Powder Coatings
(15 years warranty)

This company fulfils the requirements set by Jotun Powder Coatings for pre-treatment and application of powder coatings. These include having the necessary equipment, process controls and technical knowledge to comply with Jotun Powder Coatings standards and the requirements of AAMA2603/Qualicoat 1

Authorized Signatory
Luu Thi Phuong Hoang
Sales Director - Powder Coatings
Jotun Paints (Vietnam) Co., Ltd.

Approved Number: VN-FA-240206
Issued Date : 01st -09-2024
(Certificate valid for one year from date above)
